Our *Wear Your Heart on Your Sleeve Day* is a special day when you can create BIG smiles by wearing the KEYS heart on your sleeve in support of kids battling cancer and kids who have been impacted by cancer!

Each sticker is just \$2.50 and has room for you to write in the name of a friend or loved one that you want to honor 😊

Hearts can be purchased **HERE** or on our website at  
**[www.theKEYSprogram.org](http://www.theKEYSprogram.org)**!

\*\*\* Be sure to take a photo of you or your group wearing your hearts together and post it with the hashtag **#keysprogram** so we can share it with our KEYS families near and far! Their hearts will be so full knowing YOU are thinking of them!\*\*\*

Net proceeds enable us to deliver music, hope and smiles to kids impacted by cancer all year long and all at *no cost* to the families we serve! ♥

After all... it's all about the *smiles*!
